Norman J. "Red" Byrne, a "red headed lad," moved to Brentwood from Lynn, Massachusetts in the late 1950's. At the time there was an active group of volunteer firemen who were very busy raising money for fire equipment, an addition to the building, or other important items that were needed, but which the town could not afford.

In 1965 Red married a Belmont, Massachusetts girl named Jane, and they both settled down to make Brentwood their permanent home.

Red and Jane Byrne

Ladies Auxiliary was very busy at the time with a yearly "Smorgasbord," and starting in 1967, the Annual Penny Sale began. Needless to say, Jane jumped right in with both feet and has been a key team member for the Auxiliary ever since. She is a past President of that organization and was known for being a tireless worker, helping with Bingo and other Auxiliary duties.

In 1967 a group of firemen decided an ambulance was a must for our growing town. Red was one of the committee members who dedicated themselves to this venture.

Red had held many different offices in the Fire Department: Fire Ward, Fire Warden, and, since 1982, our Fire Chief. He has also held the position of Civil Defense Director.

Jane and Red are the parents of two children, Louise and Ward, and the proud grandparents of three little boys. Jane was busy during the children's school years with little league and other motherly functions. As the children grew older, Jane became more involved with town duties and served on the Planning Board (as Chair for several years) and the Budget Committee. She also acted as Deputy Treasurer and is currently one of Brentwood's three Selectmen. She co-chaired the town's 225th Committee and has often assisted with the annual Talent/Variety Show. Jane and Red are both involved with raising money for the 4th of July Committee and oversee the annual fireworks display held on Rockingham County grounds.

Both are presently dealing with health challenges. Red is recovering from quintuple bypass coronary surgery, and Jane will be undergoing major corrective heart surgery soon.

Brentwood is proud of you both, is grateful for your contributions and wishes you a future of health and happiness.

Ask most people how long Jo and Gil Tuck have lived in Brentwood, and they would answer "always." Neither was actually born here, but their tenure qualifies them as natives. Jo attended Crawley Falls School, now the Mary E. Bartlett Memorial Library. They were married in 1951.

Their contributions to Brentwood distinguish them as prime examples of the spirit of volunteerism. Without being asked, and expecting nothing in return, they reach out to help others and do the things that need doing. An elderly neighbor would tell you that she simply could not live without them — that she counts on their daily visits, on the shopping they do for her, on the transportation they provide and on the housework which would otherwise go undone.

Jo and Gil Tuck

Gil helped to construct the Little League field on the Lindon property behind the library on Dalton Road. Their four sons, Billy, Gary, Paul and Mark were four among the thousands of children who have and continue to benefit from this work. Gil was also a co-founder of the Brentwood Recreation Center. It ran summer and winter programs for the town's youth, as well as continuing to develop a building in which to meet and run recreational activities.

He was associated with both the Fire and Police Departments. He belonged to the Brentwood Fire Association and served as President. He worked the weekly Bingos that financed all the recreation activities and the Fire station expansion in 1967. In the department he served as a Lieutenant, a Water Officer and an ambulance attendant when the town got its first ambulance from Civil Defense.

Gil was a police officer advancing to Chief of Police, a position he held from 1972 to 1983. For much of that time, his home was his office, and there were frequent impromptu gatherings there, sometimes populated by characters Jo would never have invited into her home. Gil is now our Building Inspector, as well as an important contributing member of the Building Committee which advised the Selectmen on the new Town Garage and is now helping with the addition to the Town Office.

Jo, as President of the Ladies Auxiliary, was a driving force during the late 60's and early 70s. She was the primary instigator of the famous and beloved Penny Sale, which annually benefits our Fire Department. Both she and Gil were active volunteers in the Carnivals and Musters that were held on Lindy's field at the corner of Routes 125 and 111A. After Carol and Ike Cross retired from ten years of managing Bingo, Jo and Gil took over for the next ten, with Jo as Treasurer (filing all the state reports, making the deposits and preparing the cash boxes every Friday) and Gil as operations manager. When they retired from the BRC, approximately \$150,000 had been raised for the Recreation Center and the Fire Association through Bingo. Jo also served as Welfare Director (then called Overseer of the Poor) and is now Town Treasurer, a position she will have had for six years by March Town Meeting, when she intends to retire. The Selectmen have expressed regret at her resignation, noting that she has performed her duties with outstanding competence and dedication.

Jo and Gil: Brentwood is fortunate to have two such talented and caring people as residents. The Town thanks you for all you have done and for all that you may yet do. May your future be filled with happiness and prosperity enjoyed in the best of health.

#1. Are you in favor of the adoption of the following amendment to the Town of Brentwood zoning ordinance as proposed by the Planning Board:

Amend 4.5 Requirement for siting Septic Systems (other than those located in the Aquifer Protection District) by adding the following new section to become L. which outline the procedures to be followed for installing replacement systems.

L. Replacement systems with no expansion in original design capacity shall be reviewed and permitted by the Septic System Inspector/Test Pit Witness in conjunction with the Town's Health Officer and Board of Selectmen. Upon application to the Septic System Inspector/Test Pit Witness, where a design fails to meet the requirements of this section, the Septic System Inspector/Test Pit Witness (in cooperation with the Health Officer and the Board of Selectmen) has the authority to waive the general requirements of this section and may grant a special permit to construct a sewage disposal system provided the following provisions are met.

- a) The proposed system entails no expansion of use and is a replacement of the system previously occupying the lot.
- b) The previous system shall be discontinued. Only the proposed system shall be used once the initial function is established.
- c) The design of the system shall comply with the New Hampshire State WSPCD rules in effect at the time of approval, including waiver of these rules by the State permitting authority.

☐ YES

☐ NO

#2. Are you in favor of the adoption of the following amendment to the Town of Brentwood zoning ordinance as proposed by the Planning Board:

Amend Section 7.3 Aquifer Protection by adding to section C. (d) a new number 6 to read as follows:

6. Replacement systems with no expansion in original design capacity shall be reviewed and permitted by the Septic System Inspector/Test Pit Witness in conjunction with the Town's Health Officer and Board of Selectmen. Upon application to the Septic System Inspector/Test Pit Witness, where a design fails to meet the requirements of this section, the Septic System Inspector/Test Pit Witness (in cooperation with the Health Officer and the Board of Selectmen) has the authority to waive the general requirements of this section and may grant a special permit to construct a sewage disposal system provided the following provisions are met.

- a) The proposed system entails no expansion of use and is a replacement of the system previously occupying the lot.
- b) The previous system shall be discontinued. Only the proposed system shall be used once initial function is established.
- c) The design of the system shall comply with New Hampshire State WSPCD rules in effect at the time of approval, including waiver of these rules by the State permitting authority.

☐ YES

☐ NO

#3. Are you in favor of the adoption of the following amendment to the Town of Brentwood zoning ordinance as proposed by the Planning Board.

Amend Article IV, General Regulations Section 4.6 Miscellaneous Provisions, Solid and Hazardous Waste, Paragraph A, by inserting the following phrase to the paragraph: after the word towns - by special exception in accordance with Art. VIII, Board of Adjustment, Section 8.13,c,7, of this ordinance - the paragraph will then continue to read as it does presently with the words...or in the case of..

☐ YES ☐ NO

#4. Are you in favor of the adoption of the following amendment to the Town of Brentwood zoning ordinance as proposed by the Planning Board:

Amend Art. VIII, Sect. 8.13,c, by adding a new section 7 to read as follows:

Special Exceptions for the use of waste materials as a resource for manufacturing processes in the Commercial-Industrial zone located on Pine Road.

7. The use of waste material as defined by Art. IV, Sect. 4.6, Para. B, may be permitted by Special Exception granted by the ZBA if the material is deemed to be a suitable material for a manufacturing process subject to the following conditions:

- a. The applicant attaches to the application for Special Exception a written statement from the Planning Board that site review is required for the proposed light industrial use.
- b. The proposed use shall not pose a contamination hazard to the aquifer.
- c. That the specific site is an appropriate location for the proposed use and that the character of adjoining uses will not be affected adversely.
- d. That no factual evidence is found that property values in the District will be adversely affected by such use.

- e. That no undue traffic or no nuisance or unreasonable hazard will result.
- f. That adequate and appropriate facilities will be provided for the proper operation and maintenance of the proposed use.
- g. That there are no objections from abutting property owners based on demonstrable fact.
- h. Will not offend by reason of the production or emission of smoke, dust, gas, noise, vibrations, odor, fumes, refuse matter or similar conditions.
- i. Will not be dangerous to or create a disturbance or annoyance to comfort, peace, enjoyment, health, or safety of the community.
- j. The lot on which such use may be allowed must have a minimum of three hundred (300) feet of frontage. The lot must be five (5) acres or more. If the proposed use is to be undertaken entirely within a building, the five (5) acre requirement may be waived by the Board of Adjustment and the district minimum of three (3) acres will be required.
- k. A Special Exception shall be granted only for use specified in the application. A change in such use shall terminate the Special Exception and re-application must be made to the Board of Adjustment.
- l. In granting approval of an application for Special Exception use, the Board of Adjustment may attach all reasonable and necessary conditions to assure that the uses of surrounding properties are adequately safeguarded and that the intent of the Zoning Ordinance is maintained.
- m. If a Special Exception is granted, the lot and the proposed use will conform with all other provisions of the Zoning Ordinance and will be conditioned on-site review approval by the Planning Board.
- n. Upon completion of the Zoning Board of Adjustment Review for Special Exception the applicant must go to the Planning Board for Site Plan Review approval.

☐ YES ☐ NO

Submitted by Petition:

#5. Are you in favor of the adoption of the following amendment to the Town of Brentwood zoning ordinance.

Amend Article III, Section 3.1, C, by adding the following language:

Lot 5.2 and 5.3, located on Tax Map 1, Section 2, shall be entirely in the Residential Zone.

Recommended by the Planning Board

☐ YES ☐ NO

Submitted by Petition:

#6. Are you in favor of the adoption of the following amendment to the Town of Brentwood zoning ordinance.

Amend Article III, Section 3.1,C, by adding the following language:

Lot 8, located on Tax Map 2, Section 1, be located entirely in the Commercial Zone.

Recommended by the Planning Board

ZONING AMENDMENTS

#1. Are you in favor of the adoption of the following amendment to the Town of Brentwood zoning ordinance as proposed by the Planning Board:

Amend section 9.5, Administration (A), 2. by adding the following paragraph;

The information submitted shall include a foundation certification prepared by a licensed land surveyor or a professional engineer attesting that the foundation as sited complies with all applicable State and local regulations and ordinances. The Building Inspector has the authority to waive this required foundation certification in situations where he has no difficulty verifying the regulatory compliance of the proposed foundation..

	Yes		No
--	-----	--	----

#2. Are you in favor of the adoption of the following amendment to the Town of Brentwood zoning ordinance as proposed by the Planning Board:

Amend Article VIII Board of Adjustment, Section 8.12 Additional Powers, paragraph 2.a. to read as follows:

Each of the two residences must meet the sanitary requirements of the soil type lot size regulations. There is no increase in the frontage required for this use. In addition, both residences must comply with paragraph F of Article IV, Section 4.5 Requirements For Siting Septic Systems Ordinance.

	Yes		No
--	-----	---	----

#3. Are you in favor of the adoption of the following amendment to the Town of Brentwood zoning ordinance as proposed by the Planning Board:

Amend Article III section 3.1, District Boundaries, 1.C. in the following manner:

Change the ninth line of the paragraph titled - East Side of Route 125 from Middle Road to the Epping Town Line - by adding a period after the number "7" and deleting the words "and 48" . Insert a new line to read; **The commercial zone shall extend to the western boundaries of the lots lettered A, B, C, 1D, 1E, 1F, 1G, 1H, 1I, 1J, 1K, 1L, and 1M on a plan entitled "Boundary Survey Plan for Phase II, Blackthorn Subdivision, prepared by Jones and Beach Engineers, Inc, dated 10/21/97.** The boundary description then continues with its existing language.

	Yes		No

INDEPENDENT AUDITOR'S REPORT

To the Members of the
Board of Selectmen
Town of Brentwood
Brentwood, New Hampshire

We have audited the accompanying general purpose financial statements of the Town of Brentwood as of and for the year ended December 31, 1998 as listed in the table of contents. These general purpose financial statements are the responsibility of the Town's management. Our responsibility is to express an opinion on these general purpose financial statements based on our audit.

We conducted our audit in accordance with generally accepted auditing standards. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

The general purpose financial statements referred to above do not include the general fixed assets account group which should be included in order to conform with generally accepted accounting principles. As is the case with most municipal entities in the State of New Hampshire, the Town of Brentwood has not maintained historical cost records of its fixed assets. The amount that should be recorded in the general fixed assets account group is not known.

In our opinion, except for the effect on the financial statements of the omission described in the preceding paragraph, the general purpose financial statements referred to above present fairly, in all material respects, the financial position of the Town of Brentwood, as of December 31, 1998, and the results of its operations and the cash flows of its nonexpendable trust funds for the year then ended in conformity with generally accepted accounting principles.

The Unaudited Supplementary Information on page 23 is not a required part of the basic financial statements but is supplementary information required by the Governmental Accounting Standards Board. We have applied certain limited procedures, which consisted principally of inquiries of management regarding the methods of measurement and presentation of the supplementary information. However, we did not audit the information and do not express an opinion on it. In addition, we do not provide assurance that the Town of Brentwood is or will become year 2000 compliant, the Town of Brentwood's year 2000 remediation efforts will be successful in whole or in part, or that parties with which the Town of Brentwood does business are or will become year 2000 compliant.

Town of Brentwood
Independent Auditor's Report

Our audit was made for the purpose of forming an opinion on the general purpose financial statements of the Town of Brentwood taken as a whole. The combining and individual fund financial statements listed as schedules in the table of contents are presented for purposes of additional analysis and are not a required part of the general purpose financial statements of the Town of Brentwood. Such information has been subjected to the auditing procedures applied in the audit of the general purpose financial statements and, in our opinion, is fairly presented in all material respects in relation to the general purpose financial statements taken as a whole.

BRENTWOOD PLANNING BOARD REPORT FOR 1999

Honorable Board of Selectmen
Citizens of Brentwood

I am pleased to present the following list of applications that were processed by the Planning Board this past year.

As our community continues to grow, the members of this years Board have worked with much imagination and energy to provide the town with well thought out developments that will both enhance the beauty of Brentwood as well as preserve its natural rural character. As an example, we passed our first “cluster subdivision” which allowed us to have a substantial amount of undisturbed natural woodland.

I wish to thank all of the members of the Board who so unselfishly devoted a substantial portion of their personal time to help ensure that our towns inevitable growth proceeds in a reasonable and beneficial manner. Many times the decisions are neither clear or easy. I would also like to thank the many members of the public who have attended our meetings and provided valuable input. Please continue to attend.

Respectfully submitted,
Arthur C. Randlett, Chairman
Brentwood Planning Board

**REPORT OF THE CHIEF OF POLICE
HONORABLE BOARD OF SELECTMEN, CITIZENS OF BRENTWOOD:**

It is once again my pleasure this report as Chief of Police for the year 1999. This year three new part-time officers have been added to the Department, Officers Randy Frotton, Christian Johnson and Andy Artimovich. These additions allow us to serve the community with twenty-four hour coverage.

The Department received 4016 calls for service in the year 1999. Following is a breakdown of the types and number of complaints:

Abandoned/Assist MV -	122	Drug Offense -	18
Alarms -	113	DWI -	11
Animal Control -	121	Harassment -	4
Arrests -	84	Interrogations -	10
Assaults -	20	Juvenile -	22
Assist Other Depts. -	298	Miscellaneous -	942
Bad Checks -	25	Missing Persons -	5
Bldg/Res/Person Checks -	515	MV Accidents -	86
Burglary -	23	MV Theft -	21
Civil Stand By -	47	MV/OHRV Complaints -	62
Criminal Mischief/Vandalism -	48	MV Stops -	897
Criminal Threatening -	14	Reckless Operation -	33
Court -	15	Road Rage -	18
Cruiser Maintenance -	50	Suspicious Activity -	111
Department Business -	157	Theft -	59
Domestics -	39	Warrants/Paperwork Served	26

For 1999, the Department was reimbursed for the following:

Accident reports -	\$450.00	Details -	\$36,300.00
Pistol Permits -	\$488.00	Town Ordinance Fines -	\$367.00

A total of \$37,605.00 was put back into the General Fund to help defray costs incurred by various Town Agencies.

Office hours for the Police Department are Tuesday nights from 7:00PM to 10:00PM. Our phone number for EMERGENCY calls is 911 or 679-2225. Our NON-EMERGENCY number is 642-6400, Extension 7.

I would like to thank the Board of Selectmen, the citizens of Brentwood, the Ladies Auxiliary of the Brentwood Fire Department and the Officers of the Departments for their support and cooperation this year.

Respectfully submitted,

Wayne M. Robinson,
Chief of Police

REPORT OF THE BRENTWOOD FIRE DEPARTMENT

Board of Selectmen
Citizens of Brentwood

For the year of 1999 the department responded to 129 fire calls, 117 ambulance calls, 21 service calls, for a total of 267 responses.

1999 has changed the Brentwood Fire Department in a significant way with the hiring of the departments first full- time fire fighter. Alan Prina who has been on the department since 1992 was hired after a lengthy entrance exam.

The 1979 refurbished pumper/tanker has arrived and is in service. It has replaced our 1972 tanker which served us well for 17 years.

The department is in the process of upgrading ambulance care from basic life support to advanced life support. We now have three paramedics, soon to be four on the department. More advanced equipment is being purchased, all at no cost to tax payers. What does all this mean? Patients who are seriously injured or sick will receive the highest quality care available sooner with Advanced Life Support.

I wish to thank all members of the department and the Ladies Auxiliary for their support and dedication.

Respectfully

A handwritten signature in cursive script that reads "Kevin Lemoine".

Kevin Lemoine
Deputy Fire Chief

REPORT OF THE BUILDING INSPECTOR

A total of 138 building permits were issued in 1999. The following is a breakdown of the permits issued and the estimated values:

New Dwellings	31	\$4,251,838.00
Additions	30	445,278.00
Commercial Buildings	19	703,033.00
Garages, Barns and Sheds	23	188,731.00
Signs	8	9,300.00
Remodeling	16	218,287.00
In Ground Pools	7	97,750.00
Miscellaneous	4	12,100.00

TOTAL	\$5,926,317.00
-------	----------------

Respectfully submitted,

Gilbert L. Tuck
Building Inspector

Town of Brentwood

Municipal Buildings Advisory Committee

1999 Report

- The committee's major task in 1999 was to be Brentwood's focal point, catalyst, and coordinator in the creation of a design plan for the long-overdue addition to the Town Office building. The task was essentially completed at the Selectmen's meeting February 8, 2000, when, after lively discussion, a motion was made and passed to accept the plans which had undergone numerous previous revisions.
 - The addition has two 40' X 80' floors. The lower floor of the addition is entirely devoted to the Brentwood Police Department; the lower floor of the current building will be used by the town's administration and be separated from the police area by a masonry wall, i.e. no inside access from one to the other. Design of this area, which represents a substantial but necessary increase in space, was done with Chief Robinson's help and approval.
 - The upper floor's design tries to take into account Brentwood's anticipated growth over the next 15–20 years, as well as providing enhanced security for the people who work there, better protection for vital records, and facilities which accommodate the need for more sizeable meetings. The committee's mantra has been to provide cost-effective solutions to present and future needs and work with all parties concerned.
 - At Town Meeting on March 18 voters will be asked to consider providing the funding for this addition. Exact wording is not final as this is written, and how much is to come from the various sources is now being determined. A portion of the estimated \$525,000 will come from Brentwood's surplus, some will come from taxes this year, and some will come from a fairly short-term bond.
- Twelve meetings were held in 1999. If reported chronologically, the story line would start at the Highway Garage with the planning and execution of the final steps necessary to complete the functionality of that facility. Still needed: some minor excavation near Middle Road, and some landscaping to improve the aesthetics.

The Town Office addition then occupied the committee's full attention. Before it became known that Swasey School could satisfy its required growth at the present location, there was some thought that, if a new school had to be built, the Town Office would occupy part of the old school. Site studies showed the land would support the school's needs, and the plans for the Town Office addition then proceeded rapidly.
- If the voters approve this addition, which we certainly hope they will, there will be no further need for this committee. We thank all of you who helped; it is clear that Brentwood continues to be a community where volunteerism flourishes.

Respectfully submitted,

Robert Sanborn, Chair

James Clark

THE MARY E. BARTLETT LIBRARY

The Trustees of the Mary E. Bartlett Library are pleased to announce that 1999 was a very rewarding year and they are forging into the new millenium with an optimistic outlook. Our readers borrowed a total of 27,711 books and media material. Also it is important to note that other New Hampshire libraries borrowed 231 books from our library and we borrowed 95 books through the Interlibrary Loan System. These totals clearly indicate that our community takes full advantage of the collections offered at the library. We are presently fully computerized and have public access computers with median Internet service available.

The Friends of the Library continue to be a very valuable organization that fulfills a multitude of our needs. This year the Friends purchased additional passes for our patron's use. We now have free admittance to the Children's Museum in Portsmouth, the New England Aquarium, the Boston Fine Arts Museum, the Christa McAuliffe Planetarium, and the New Hampshire Historical Society. In addition, they provide the library with programs for both children and adults. In order to neatly house our growing collection of children's "easy chapter," books, the Friends bought a beautiful free-standing, revolving bookshelf, and we are anxiously awaiting the arrival of six shelving units which will hold the children's non-fiction collection. This will certainly give the room a fresh, attractive, updated appearance and allow our patrons easier access to the materials. The annual Christmas Craft Fair is sponsored by the Friends of the Library and the monies realized from this event are used to enhance our children's books. This year the organization gave an extra donation that helped increase our children's collection. Thanks to the Friends, the library has a scanner and a checkout receipt machine, making our automated system complete and allowing the librarians and the patrons to keep an inventory of the materials loaned out. The Friends also covered the cost of having the computers networked. After scanning this paragraph, it's obvious why the Friends of the Library are so important.

The Brentwood Gardeners took our garden and turned it into a "Martha Stewart" work of art. Long hours and backbreaking work went into this "make-over," but what fantastic results were created for all to enjoy for summers ahead. During the Christmas season they supplied the library with an outside tree and our story hour children decorated it with goodies for the birds. Thank you very much.

The Great Stone Face Award books were purchased with the money from the Randall Hatch Fund. After reading the variety of pre-selected books, the children vote on their favorite ones and awards are given to the most popular authors. Our New Hampshire History collection was enhanced with money from the Harriet Gove Fund. The library truly appreciates these special funds from two special Brentwood residents.

The Trustees would like to give a very special thank you to Grace Wood for her eighteen years of service to the library. For many of those eighteen years, Grace volunteered for seven hours every Tuesday and even now that she is "retired," she still can be seen helping out on Tuesdays. How very fortunate Brentwood is to have such an outstanding, devoted, caring employee, resident, and true "library -lover."

Congratulations are extended to two of our Trustees, Terry Sherry and Gail Turcotte for a job well done. They have played an integral part in the management of our library and we appreciate their hard work and the years of commitment.

A terrific round of applause to our staff, patrons, story hour mom and dads, volunteers and the Town of Brentwood. You help make the library what it is... a friendly, warm environment where everyone is welcome. Thank you for your support.

Library Trustees
Mary e. Bartlett Library

Honorable Board of Selectmen
Citizens of Brentwood

The Conservation Commission is charged with reviewing development plans in which there is any impact on wetlands and suggesting means of minimizing that impact through alternative designs or mitigation. During 1999, we reviewed plans or applications for numerous such proposals in conjunction with the Planning Board and made recommendations which we believe will provide protection for some of the town's natural assets. Typically this protection was in the form of a conservation easement granted by the developer on the most sensitive portions of the property.

The Commission also participated in two initiatives with others to promote permanent protection of undeveloped land in town. In March, we co-hosted with the Rockingham Land Trust and the Epping Conservation Commission an estate planning session at which an attorney, the county forester and a naturalist discussed methods to preserve family assets and land concurrently. Throughout the spring the Rockingham Land Trust undertook a letter campaign to contact Brentwood owners of land that front on the Exeter River and other water bodies inviting responses to discuss conservation easements.

During 1999, landowners in town granted conservation easements on land totaling in excess of 200 acres, thereby preserving their undeveloped nature in perpetuity and receiving Federal Income Tax benefits in the process.

In 2000, the Commission plans to undertake a Natural Resources Inventory of the town. This extensive project will involve the accumulation and mapping of data about naturally occurring resources such as wetlands and groundwater resources, farmlands, forests and other undeveloped tracts and significant wildlife habitats. During the process, we will encourage citizen participation in identifying important natural resources to include. The completed inventory will provide information that will support careful land use planning, voluntary land conservation and improved resource protection measures. As Brentwood continues to attract significant residential development, this inventory should be an important tool in the refinement of the Planning process. We plan to submit a Warrant article to the March town meeting seeking \$4000 to fund this project, the Rockingham Planning Commission has earmarked \$1800 as a grant to partially offset this cost, and will assist the Commission with mapping and professional expertise.

We are also considering the development and implementation of management plans for town-owned lands including the Town Forest on Middle Road. The Forest Management plan may be developed in conjunction with the advisory committees looking at expansion of the Town Office and Swasey School and will be sensitive to the school's present use of the area as an instructional resource.

Respectfully submitted,

Lise McNaughton, Chair

ANNUAL REPORT

OF THE

BRENTWOOD SCHOOL DISTRICT

SCHOOL WARRANT
BRENTWOOD SCHOOL DISTRICT
STATE OF NEW HAMPSHIRE

To the inhabitants of the School district of Brentwood, in the County of Rockingham and said State, qualified to vote in District affairs:

You are hereby notified to meet at the Swasey Elementary School in said District on SATURDAY, THE ELEVENTH DAY OF MARCH, 2000 AT 9:00 AM to act upon the following subjects:

1. To see if the School District will vote to raise and appropriate the sum of TWO MILLION ONE HUNDRED SEVENTY FIVE THOUSAND, ONE HUNDRED EIGHTY FIVE DOLLARS (\$2,175,185.00) for the support of the schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the District. (The School Board recommends this appropriation) (The Budget Committee recommends this appropriation)
2. To see if the School District will vote to raise and appropriate the sum of FOUR THOUSAND DOLLARS (\$4,000.00) toward the cost of a professional audit of all school district accounts. This will be a non-lapsing account per RSA 32:3VI(d) and will not lapse until the audit is complete or in four years, whichever is less. (The School Board recommends this appropriation. The Budget Committee recommends this appropriation.)
3. To see if the School District will vote to raise and appropriate the sum of TWENTY FIVE THOUSAND DOLLARS (\$25,000.00) to add to the Capital Reserve Fund established at the March, 1994 school district meeting known as the Capital Reserve Fund-Special Education and furthermore, to name the School Board as agents to expend from this fund. (The School Board recommends this appropriation. The Budget Committee recommends this appropriation.)
4. To see if the school district will vote to authorize the School Board to enter into a 3-year lease agreement for the purpose of leasing one double classroom modular unit to be placed on school grounds, and to raise and appropriate the sum of FORTY THOUSAND DOLLARS (\$40,000.00) for the first year's payment for that purpose. This lease agreement contains an "escape" clause. (The School Board recommends this appropriation. The Budget Committee recommends this appropriation.)
5. To see if the School District will vote to raise and appropriate the sum of THREE HUNDRED THOUSAND DOLLARS (\$300,000.00) to add to the Capital Reserve Fund established at the March, 1999 school district meeting for the purpose of future building expansion and furthermore, to name the School Board as agents to expend from this fund. (The School Board recommends this appropriation. The Budget Committee recommends this appropriation)
6. To hear reports of agents, auditors, and committees or officer heretofore chosen and to pass any vote relating thereto.
7. To transact any other business that may come before this meeting.

Given under our hands this _____ day of February, 2000.

Ralph Adler, Chairperson

Mindy Chadrow

Charles Gargaly

John Hayes

VACANT

BRENTWOOD SCHOOL DISTRICT MEETING
MARCH 6, 1999
9:00 A.M.

Moderator: Jim Shuchman

The meeting was held at Swasey Central School. Moderator Shuchman welcomed those present and opened the meeting at 9:10 a.m.

Moderator Shuchman reviewed the ground rules of the School District Meeting.

Ike Cross moved that the reading of the Warrant Article in its entirety be waived. It was seconded and carried by voice vote. It was then moved by Mary Willis, seconded by Ralph Adler, and carried by voice vote to allow out-of-district residents to speak.

ARTICLE #1

To see if the District will vote to raise and appropriate the sum of ONE MILLION EIGHT HUNDRED FIFTY SIX THOUSAND, FOUR HUNDRED SIXTY EIGHT DOLLARS (\$1,856,468.00) for the support of the schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. It was moved by Ed Sherry and seconded by Terry Sherry to table any action on Article #1 until later in the discussion and to see if other articles are acted on first. The motion was carried by voice vote.

ARTICLE #2

To see if the District will vote to enter into a collective bargaining agreement with the Brentwood Teachers Association (the union representing teachers in the Brentwood School District) covering the three (3) year period from September 1, 1999, to August 31, 2002, and approve the cost items included therein (as summarized on page 72.2 of The Annual Town and School District Report, Brentwood, NH, year ending December 31, 1998). And, further, to raise and appropriate the sum of SEVENTY FOUR THOUSAND, EIGHT HUNDRED FORTY SIX DOLLARS (\$74,846.00) for the 1999-2000 year, such sum representing the net additional costs attributable to the increase in salaries and salary related benefits (less estimated insurance premium savings) over those appropriated under Article 1 which is the same as 1998. It was moved by Ralph Adler and seconded by Mindy Chadrow to accept Article #2 as written after which Ralph Adler spoke on the article. Ralph explained the history and development of the contract and how teachers and the Board spent 90 team hours developing the agreement with input regarding financial, philosophical, and teacher performance goals. There was also attention given to the Board's goals for school improvement over time: support mechanisms (compensate our teachers appropriately to achieve common SAU 16 goals by improving contract to

measure up to other SAU 16 towns), incentives (teachers recognized and compensated for complementing our school), and pressure for continuing improvement of teacher performance (for competition for the best teachers as new positions become available). Ralph Adler then reviewed teacher parity at national, state, and local levels per Swasey salaries as of Fall 1998. He also explained an additional day to be added to the calendar and changes in staff insurance coverage. In response to a question by Dick Neeley, Ralph Adler clarified the teacher salary increase as one of 12% over three years. Barbara Lobdell, Assistant Superintendent SAU 16, spoke next on Article #2 with regard to teacher accomplishments at Swasey. She reviewed Swasey Principal Nick Hardy's initiatives when he came on board a year and a half ago. Including high expectations for student achievement, development of grade level curriculum, revision of the Language Arts program, technical/computer education, improved student discipline, and implementation of a new science program. These initiatives have been accomplished and this is only the beginning. Jim Genter spoke last on Article #2 with regard to its community and tax implications. Jim further explained the teacher contract as Article #1 being a straight-line budget transfer with increases in salary line items as part of Article #2. The health insurance was changed from Blue Cross to School Care resulting in significant savings and the school district paying a smaller percentage of this coverage. With regard to the tax impact for next year, if \$74,846.00 is approved it would cause a \$.47 per \$1000.00 of valuation or a \$47.00 increase for \$100,000.00 home. Marion Arkell asked if we were going to hear from the Budget Committee. Ron Thompson spoke for the Budget Committee saying that because of the 3/3 Budget Committee split vote on whether to recommend the budget to the voters, that they couldn't recommend it. Spike said that because Brentwood is a low cost area in which to live that clearly there would not be 12% inflation here over the next three years. Jim Genter explained that the 3% would bring our teachers up to parity so that over three years they would in effect sustain a 9% (cost of living) increase. Ed Sherry spoke as a Budget Committee member who did not vote to recommend the budget to the voters mainly because of lack of time for thorough study. He also felt salary increases should be based on student output and he then read from 1997 test scores. He said the Claremont case specifies \$4,700.00 per student across the state but that Brentwood doesn't need to be like other towns. Kathy Blaisdell, who said that one's school system reflects property values, spoke in favor of Article #2 and in support of the Swasey teachers and also pointed out that 1997 test scores were for a period of time before Mr. Nick Hardy was hired as principal at Swasey. She also said reports show our students to be measuring up quite well at the Coop Middle School in the larger scheme of things. Eric Tromp felt that six different groups/teachers in different towns should have equality in pay. Phil Giles said the new principal is aggressively working to improve test scores. Move question to cut off debate by Eric Tromp. 2/3 majority not obtained (25-15). Debate continued. Sarah Campbell felt teachers are doing an outstanding job. Ken Prodo questioned possible failure of Article #2 resulting in a no win situation of teachers vs. Board, etc. Jim Genter explained the process for re-opening negotiations. He also

voiced his support for the principal. Ike Cross questioned the ability of the town to pay a ten million-dollar budget in ten years. Dianne Chapman questioned the town's growth making up for tax needs. Ike Cross said there is not enough industry in Brentwood to address increased spending. Ron Thompson said the cost per student will go down as the student population increases. Since 1991 taxes have increased 1.8% and money has gone into surplus. The money is in savings, land is coming back in from current use, and surplus budgeted money has been given back to the town. Marty Wilcox, in favor of Article #2, said teachers should be paid for their performance and that Mr. Hardy's work will impact next year's scores. Ike Cross moved the Article #2, seconded, passed. Article #2 was carried by secret ballot, 30 yes to 9 no.

ARTICLE #3

To see if the District will vote to raise and appropriate the sum of FIVE THOUSAND DOLLARS (\$5,000.00) to reduce the general fund deficit pursuant to RSA 189:28-a which was incurred during the July 1, 1998 through June, 1999 fiscal year to cover higher than anticipated costs for both regular and special education. Jim Genter moved to accept Article #3 as written. Seconded by Mindy Chadrow. It was then moved by Jim Genter and seconded by Mindy Chadrow to amend Article #3 by changing \$5,000.00 to \$30,000.00. Discussion followed that included: Jim Genter's explanation of need for an additional teacher at the cost of \$30,000.00 due to increased enrollment, Barbara Lobdell's explanation of the Special Education Law and PL94-192 anticipated legal expenses from now to the end of the year. Ike Cross questioned the town's emergency fund being used for this and Barbara Lobdell said the RSA's don't provide for that. Discussion by Ike Cross, Jane Byrne, Ron Thompson, Jim Genter, Marty Wilcox, Spike, Ken Prodo, and Elyse Seeley followed on the definition of "emergency", whether a particular legal issue constitutes an emergency, the sudden appearance of an additional twenty-four children in the school last September, and the necessity of confining discussion to the amount of funds in question. Jim Genter moved to call the question after the following statement regarding Article#3 was entered into the minutes: This amount is a set sum to be used for legal expenses. If it is not used it will be returned to the town. The motion to amend Article#3 carried. Discussion on Article #3 is amended followed and included a question of \$180,000.00 to support twenty-four students as expensive (Ken Prodo), the necessity for improving the method of predicting increased student enrollment in town – possibly alignment with the Planning Board (Jane Byrne and Jim Genter), and NSDEC figures vs. building permits issued (Sarah Campbell and Ralph Adler). Ron Thompson attempted a third amendment to Article #3 regarding funding for Swasey's computer system but Moderator Shuchman, after input from Spike and Phil Giles, ruled it not germane to the Article. MS to cut off debate. Article #3 carried by voice vote.

ARTICLE #4

To see if the District will vote to contract for the necessary services including, but not limited to surveys and studies related to, developing plans for an addition to

the Swasey School on Middle Road, and to raise and appropriate the sum of FIVE THOUSAND DOLLARS (\$5,000.00) for this purpose. Jim Genter moved to accept Article #4 as read. Seconded by Elyse Seeley. Ralph Adler explained Article #4 as an amount to fund development of data collection planning. Ken Prodo proposed an amendment to add specific mention of a required town census or audit of pre-school and school age children but Mindy Chadrow explained the necessity for keeping the Article simple and concise. Short discussion followed and the amendment failed. MS to cut off debate and Article #4 carried by voice vote.

ARTICLE #5

To see the District will vote to establish a Capital Reserve Fund under the provisions of RSA 35:1 for the purpose of future building expansion and to raise and appropriate the sum of FIFTY THOUSAND DOLLARS (\$50,000.00) to be placed in this fund. Wayne St. Hillaire moved to accept Article #5 as read. Seconded. Ralph Adler explained Article #5 and Wayne St. Hillaire from Budget Committee spoke in favor. Eric Tromp questioned State reimbursement if the funds were already in place at the local level. Sarah Campbell questioned the length of time allowed to take advantage of Kindergarten funds. Barbara Lobdell explained the grant process and two year time period beyond which it would to the taxpayers in the form of a bond issue. Ike Cross, who spoke in favor of the Article, referred to the 1988 appropriation for four classes and he talked about Brentwood's recent pay-as-you-go policy. Sarah Campbell moved the question, seconded. Article #5 carried by voice vote.

ARTICLE #6

To see if the Brentwood School District will vote to raise the sum of FIVE THOUSAND DOLLARS (\$5,000.00) for the purpose of repairing and maintaining the computer network system. Ralph Adler moved to accept Article #6 as read. Seconded by Mindy Chadrow. Skip Hanson, Superintendent of SAU 16 explained and addressed the Article. Brentwood and Kensington students' needs should be addressed and their equipment updated right away, and the network administrator has been assigned to Brentwood and Kensington. MS to end discussion. Article #6 carried by voice vote.

ARTICLE #1

To see if the District vote to raise and appropriate the sum on ONE MILLION EIGHT HUNDRED FIFTY SIX THOUSAND, FOUR HUNDRED SIXTY EIGHT DOLLARS (\$1,856,468.00) for the support of the schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the District. Article #1 was accepted as written by motion and second. Ron Thompson noted that the actual amount of the Warrant is \$1.00 more than what the School Board and Budget Committee approved. MS to end discussion. Article #1 carries by voice vote.

Moderator Shuchman asked for any additional reports or discussion. Barbara Lobdell, on behalf of SAU #16, thanked outgoing School Board members Jim Genter and David LaPointe for their outstanding participation on the Brentwood School Board for the past two years. Chris Magnusson urged all present to write letters to the U.S. Congress in support of Special Education funding.

Ike Cross moved to adjourn. It was duly seconded and carried by voice vote.
11:50 a.m.

Principal's Annual Report Swasey Central School

Swasey Central School, like the rest of the town of Brentwood, continues to grow and change. Last year we added an additional first grade and this year we added an additional second grade. We welcomed the following new staff members for the 1999/2000 school year: Kathleen Desmarais, grade 1; Jane Gallagher, school psychologist; Marie Gilbert, educational aide; Sharon Harris, educational aide; Barbara Heatherton, nurse; Gail Lauermann, educational aide; and Terry Mason, educational aide.

Swasey has three crucial elements that strengthen our school: our staff, our parents, and our community. Every member of the Swasey School staff is committed to making our school a positive, challenging, nurturing environment for our students. Every single member of the Swasey School team puts in countless extra hours because they care about what they do for a living – Swasey staff members are working in the building early in the building, late at night, and almost every weekend.

The parents of Swasey Central School students are especially involved in their children's education. It is not unusual to see two or three parents at a time helping out in classrooms. Our parent led Volunteer committee has won the prestigious Blue Ribbon Award every year the award has been given. Volunteers work in the library, in classrooms, and at home. They work early in the morning and late at night. They make seemingly impossible projects happen every day.

The Town of Brentwood takes good care of its school. Voters have supported a budget for several years in a row that has helped us replace outdated materials and improve our programs. Both youth groups and adults – organized primarily by the BRC - use the building almost every night. Our gymnasium is used frequently on both Saturday and Sunday.

We have seen several important improvements in our language arts program again this year (reading, writing, speaking, and listening skills). During the 1998/1999 school year we purchased comprehensive new reading materials for grades 3, 4, and 5. This year we purchased materials in the same area for Kindergarten, Grade 1, and Grade 2. Additionally, we increased our Reading Specialist, Paula Rushia, from a part time position to a full time position. Her leadership in the entire academic area of language arts has made positive changes for our students. For the third year in a row we saw improving scores on the New Hampshire third grade assessments.

This year the entire SAU is working on updating our math curriculum. We will be purchasing new materials during the 2000/2001 school year and will be offering a variety of professional development opportunities for our staff. This will be our next area of concentration for several years. The SAU is also working on revising our system of evaluation for both the building principal and professional staff. Ultimately, our goal is to improve student learning.

Like the rest of Brentwood, Swasey Central School is experiencing dramatic increases in enrollment. We are beginning to feel the pinch at Swasey Central School.

This year for the first time in years we share one room for art and music. Because one room can't contain both programs 100% of the time, we have to hold music in the library on Wednesday mornings. Some of our programs don't have any assigned space and take place in the corner of the library, or behind a partition in the special needs room. Next year we will probably feel even more pinched.

Anticipating a space problem, the School Board established a Building Committee during the 1998/1999 school year. This committee, chaired by community member Erik Trump, has been very active during this past year. The committee has met with members of the selectmen and other community groups. Land has been surveyed and the group is formulating plans for the future. The most recent enrollment projections indicate that in the 2004/2005 school year, Swasey will house 405 students. This is almost a 56% increase over our current population!

Swasey Central School, like the rest of the town, looks forward to the coming growth and change. I would like to thank the SAU #16 administration, The Brentwood School Board, Swasey Central School staff and parents, and the entire community of Brentwood for your continued support.

Respectfully submitted,

Nick Hardy, Principal

SAU 16 Report of Administration

Arthur L. Hanson, Ed.D.
Superintendent of Schools

Paul A. Flynn
Assistant Superintendent of Schools
Director of Human Resources

Barbara L. Lobdell
Assistant Superintendent of Schools

In August, several schools in SAU 16 welcomed new administrators to their buildings: Gary Heald, Principal, Exeter High School; Jerry Frew, Principal, Cooperative Middle School; and Pat Cushing, Principal, East Kingston Elementary School. Additionally, the following individuals assumed new positions: Cas Donovan, full time Assistant Principal, Exeter High School; Bill Ball, Athletic Director, Exeter High School; Mike Olson, Assistant Principal, Cooperative Middle School; Tom Fosher, Principal, Stratham Memorial School; Dennis Dobe, Assistant Principal, Stratham Memorial School; and Thaia Katsos, Assistant Principal at both Main Street School and Lincoln Street School.

The schools opened their doors to continued record enrollments: Swasey Elementary School in Brentwood – 254; East Kingston Elementary School – 181; Exeter Elementary (Main Street School and Lincoln Street School) – 1090; Kensington Elementary – 173; Newfields Elementary – 143; Stratham Memorial School – 626; Cooperative Middle School – 1298; and Exeter High School – 1448.

Due to these enrollments, most school districts are investigating renovations and/or new construction to their school facility. East Kingston broke ground in October for an additional four classrooms, including kindergarten. Swasey School in Brentwood, Newfields Elementary and Kensington Elementary are in the final stages of putting plans together for additions to their schools. Once again, Lincoln Street School will present a warrant article to the Exeter voters in an effort to address the remaining building deficiencies.

The Exeter Region Cooperative School Board has been involved for the past twenty-six months in a comprehensive review of space and building needs for Exeter High School staff and students. The current structure not only presents the students and staff with physical inadequacies, but limits our educational abilities to perform at the standards set forth by the New England Association of Schools and Colleges.

The board held a two-day “Future Search Conference” in the spring of 1999. A broad cross-section of individuals from the SAU towns, including parents, students, educators and community members, participated in this endeavor. Although there were many outcomes and recommendations from the group, the major endorsement of the participants was to renovate the current facility versus building a new high school.

The on-going High School Facilities Committee, chaired by John Henson, was charged by the Coop Board to develop a recommended renovation/new construction site plan with assistance from Banwell Architects and Hutter Construction Company. In conjunction with the High School Facilities Committee, a Publicity Committee was created and is presently speaking to service organizations, parent groups, various school boards and other interested parties regarding the recommended plan. They are also leading tours of the current high school to educate the community concerning the immediate need for this project.

There continues to be a sense of collaboration among the individual school districts. As a SAU, we are continually working to coordinate curriculum, technology initiatives, a common evaluation process for both teachers and administrators through a district-wide committee, and a crisis management and emergency response plan for all schools in the SAU.

Because of the many funding challenges that we face in SAU 16, the boards and administrators are working diligently to present schools budgets that reflect this. As an example, the SAU budget for the school year 2000-2001, as approved by the SAU Joint School Board in December 1999, is level-funded.

The offering of quality education continues to be a priority for the citizens of SAU 16. The continued support and involvement of many businesses, community members and parents is truly appreciated. Working together, we can assure that our graduates are ready to meet the challenges of the 21st century.

SCHOOL BUDGET FORM

BUDGET FORM FOR SCHOOL DISTRICTS WHICH HAVE ADOPTED THE PROVISIONS OF RSA 32:14 THROUGH 32:24

OF: BRENTWOOD NH

Appropriations and Estimates of Revenue for the Fiscal Year From July 1, 2000 to June 30, 2001

IMPORTANT:

Please read RSA 32:5 applicable to all municipalities.

1. Use this form to list ALL APPROPRIATIONS in the appropriate recommended and not recommended area. This means the operating budget and all special and individual warrant articles must be posted.
2. Hold at least one public hearing on this budget.
3. When completed, a copy of the budget must be posted with the warrant. Another copy must be placed on file with the school clerk, and a copy sent to the Department of Revenue Administration at the above address.

BUDGET COMMITTEE

Please sign in ink.

DATE: 2/9/2000

Wayne E. McKeon
Paul B. Meyer
Cheryl J. Fargus
Donna L. Simon

THIS BUDGET SHALL BE POSTED WITH THE SCHOOL WARRANT
